Professional Summary

A dedicated professional with a unique blend of skills in web development and a solid educational background in Business Administration, specializing in Marketing. Equipped with proficiency in HTML, CSS, JavaScript, and PHP, I bring hands-on experience in creating responsive and user-friendly websites. My BBA degree from Government BM College has provided me with insights into marketing strategies, consumer behavior, and market analysis. I am passionate about leveraging my technical skills and marketing knowledge to deliver innovative solutions and drive business growth.
